

**Elisha Dyer Camp No. 7, Dept. of Rhode Island, SUVCW  
Commander's Orders #2011-2012-2  
December 17 , 2011**

It is with great gladness that I extend wishes of a Happy 80th Birthday to our Friend & Brother, Henry A.L. Brown, who turns 80 on 23 December 2011. Henry's years of dedication to the preservation of Rhode Island's rich and diverse history have extended beyond the annals of his own robust family history. If it were not for the singular efforts of Brother Henry Brown, many important historical artifacts would have been lost to time, and many of the books that we have enjoyed reading would lack the primary sources necessary to make them legitimate works of scholarship. We are blessed to count Brother Henry among our number here in Elisha Dyer Camp no. 7, and we wish him many more years of good health and good fun. Huzzah to you, Brother, you have earned it.

In Fraternity, Charity & Loyalty,

James P. McGuire, Commander  
Elisha Dyer Camp no.7, Dept. of RI SUVCW

Attested: Henry C. Duquette, PCC, Camp Secretary
